

# Watch Me Do

Meghan Trainor

I'm the shhh, be quiet  
I've been on a low-hater diet  
I'm the shhh, be quiet  
I've been on a low-hater diet

Cause I just woke up and I feel some type of way  
I get all choked up when I see how much I made  
And I feel so good like James Bond in his day  
Singing hey, hey, hey

Watch me do, watch me  
Watch me do, watch me  
Wha-da-do, watch me  
Let me hear you sing hey, hey, hey

I ain't saying I'm the besteses  
But I got nice curves, nice breasteses  
I don't erase the textes from my exeses  
All in my DMs, leaving messages  
Whoo, head spinning like an exorcist  
And I ain't a teacher, but the lesson is  
If you wonder how I make it look effortless  
The answer to your question is

That I just woke up and I feel some type of way  
I get all choked up when I see how much I made  
And I feel so good like James Bond in his day  
Singing hey, hey, hey

Watch me do, watch me  
Watch me do, I said watch me  
Oh, wha-da-do, watch me  
Let me hear you sing hey, hey, hey

I'm the shhh, be quiet  
I've been on a low-hater diet  
I'm the shhh, be quiet  
I've been on a low-hater diet  
I'm the shhh, be quiet  
I've been on a low-hater diet

I'm the shhh, be quiet  
I've been on a low-hater diet

Cause I just woke up (Good morning!)  
And I feel some type of way  
I get all choked up when I see how much I made  
And I feel so good like James Bond in his day  
Singing hey  
Come on now, hey  
Come on now, hey  
Singing, singing, hey

Watch me do, watch me  
Watch me do, watch me  
Oh, wha-da-do, watch me  
Let me hear you sing hey, hey, hey
