I'm Falling

The Comsat Angels

I never thought this could happen
I never thought I could feel this way
Until this strange reaction todayYou give me a new sensation
In a place that has no name
Something tells me I'll never feel the same
Now it's all changedI'm falling, falling
Falling, falling
I'm falling, falling
Falling, fallingWhat have you done to me
I'm falling endlessly
I began to slip, I did not know what was coming next
Even so I was not prepared for this
