Heart to Heart

Kyla

You aint crazy
Aint gonna lie anymore
What youre feelin
Theres a reason for
I wanna do right
Oh, I gotta do right
Do I love you?
Boy, you know Ive tried
What youre after
You cant find in my eyes
I wanna do rightDarlin tell the truth
Dont turn away
This is our last chance
To touch each others hearts
Does anything last forever?
I dont know
Maybe were near the endSo Darlin oh how can we go on together
Now that weve grown apart
Well the only way to start
Is heart to heartOne by one
Were collecting lies
When you cant give love
You give alibis
I wanna do right
This time I gotta do right
I dont wanna leave
I dont wanna say good-bye
But sooner or later
Baby there comes a time
Oh When I gotta do right
Oh, I gotta do rightDarlin tell the truth
Dont turn away
In this one last chance
To touch each others hearts
Does anything last forever?
I dont know
Maybe were near the endSo Darlin oh how can we go on together
Now that weve grown apart
Well the only way to start

Is heart to heartWhy are you so torn apart?
I need a little more lovin in my heart
People say that love will grow
So how was I to know
Love thats come through years and years
Cant find a way back home anymoreDarlin tell me the truth
Dont turn away
This is our final chance
To touch each others hearts
Does anything last forever?
I dont know
Maybe were near the endSo Darlin oh how can we go on together
Now that weve grown apart
Well the only way to start
Is heart to heartDoes anything last of all
I dont know
Maybe were near the endSo Darlin oh how can we go on together
Now that weve grown apart
Well the only way to start
Is heart to heartSo Darlin oh how can we go on together
Now that weve grown apart
Well the only way to start
Is heart to heart
