The One

Rebel Souljahz

I've searched this whole wide world
To find my special girl
'yeah'
Who's kiss tastes oh so sweet heavenly
Who smiles knocks me off my feetJust the other day
I was hangin with my crew
I saw this girl across the way
She was noticin' me too
The something inside told me to make my way to her(Chorus)
Tell me could she be the one
(Tell me could she be the one)
The one that my heart adores
Tell me could she be the one
(Tell me could she be the one)
The one I've been searching for
(The one I've been searching for)So let's hope that god will make
(God will make)
You're mine 'till the end of time (ohhh)
My heart been searching for the one I adore
Who's eyes made me realize
So make my dreams come true
And I will fall in love with you
Thinking that day we'll be together
And makin love that last forever
I just can't describe
How I feel inside
For her'(Chorus)
Tell me could she be the one
(Tell me could she be the one)
The one that my heart adores
Tell me could she be the one
(Tell me could she be the one)
The one I've been searching for
(The one I've been searching for)
The one I've been searching forSo many feelings that I have for a girl that I adore
I'll be waiting for the day she'll come knockin' on my door
My eyes have always seen together you and I
Will be living life with no regretting
Perfect harmonySlowly you and I will love

Will always be together
The only one that I could love
Our love should last foreverTell me could she be the one
'oooh'oooh'oooh'oooh'
The one I've been searching for
