

More, More, More

[Rachel Stevens](#)

Ooh, how do you like my love?
Ooh, how do you like my love? But if you want to know how I really feel
Just get the cameras rolling, get the action going
Baby, you know my love for you is real
Take me where you want to, then my heart you'll steal More, more, more
How do you like it? How do you like it?
More, more, more
How do you like it? How do you like it?
More, more, more
How do you like it? How do you like it? Ooh, how do you like my love?
Ooh, how do you like my love? And if you want to know what it means to me
Just hear the rhythm grooving, get your body moving
Baby, you know my love for you is true
Any time you want to, do what you gotta do More, more, more
How do you like it? How do you like it?
More, more, more
How do you like it? How do you like it?
More, more, more
How do you like it? How do you like your love? Baby, you know my love for you is real
Take me where you want to, then my heart you steal More, more, more
How do you like it? How do you like it?
More, more, more
How do you like it? How do you like it?
More, more, more
How do you like it? How do you like your love?
