

# Refrain

## Zsa ZSa Padilla

Please, refrain cause I can't take your,  
Your constructive criticism anymore.  
What the hell have you been building anyways  
Between you and me?  
Just a barricade?  
I gotta say,

I could do so much better than this.  
I know, I know I took the easy road again.  
And as for selling myself short,  
I have become notorious, oh, oh.  
I know how it goes.

This is the part where I realize that I'm alone, alone.

You always told me to be mature.  
Well, I just don't know myself anymore.  
What's the point of being grown up anyways,  
When I can be like you, give it all away?  
I've got to say,

I could do so much better than this.  
I know, I know I took the easy road again.  
And as for selling myself short,  
I have become notorious, oh, oh.  
I know how it goes.

This is the part where I realize that I'm alone, alone.

And everybody wants to fall in love  
In cinematic fashion.  
I don't, I don't.
