# Never Be Like You (feat. Kai)

## Flume

[Verse 1]
What I would do to take away
This fear of being loved, allegiance to the pain
Now I fucked up and I'm missing you
Never be like you
I would give anything to change
This fickle minded heart that loves for shiny things
Now I fucked up and I'm missing you
Never be like you[Hook]I'm only human can't you see
I ma-I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Oo ooh
Never be like youI'm only human can't you see
I ma-I made a mistake
Please just look me in my face
Tell me everything's okay
'Cause I got it
Oo ooh
Never be like you[Verse 2]
