

Broken-Hearted Blues

Buddy Guy

Lord, it chills on my pillow
Ice, ice water, ice water in my baby's bed
Yes Lord, it chills on my pillow
Ice, ice water, ice water in my baby's bed
Oh, all of all the good things I have done for you woman
Oh, you know you left me for some other man
Now if you happen to see my baby
Tell her, I been cryin', tell her, cryin' on my knees
Hey, hey, if you ever see my baby
Oh, I want you to tell her, tell her, I been cryin' on my knees
Hey, yes I've been praying to my master
Please phone her back to me
Mercy baby
Mercy woman
Yes, if I had ten million, million, million dollars, woman
You know I would give you, I would give up every, every dime
Yes, if I had ten million, ten million dollars, woman
Oh, I would give up, I would give up ever', ever', every dime
Yes, did you hear me?
Call me daddy one more time
