

Hands of Time

Eowyn

Keep looking through the window pane
Just trying to see through the pouring rain
Its hearing your name, hearing your name
 I really never felt quite the same
 Since I've lost what I had to gain
 No one to blame, no one to blame
Seems to me, can't turn back the hands of time
Oh, it seems to me, can't turn back the hands of time
 Keep looking through the window pane
 Just trying to see through the pouring rain
 Its hearing your name, hearing your name
 I really never felt quite the same
 Since I've lost what I had to gain
 No one to blame, no one to blame
Seems to me, can't turn back the hands of time
Oh, it seems to me, can't turn back the hands of time
 Seems to me, can't turn back the hands of time
 Seems to me, history was left behind
