Baby Please Come Home

Josh Ramsay

They're singin' deck the halls
It's not Christmas at all
I remember when you were here
And everything we had last yearAll the church bells in town
They're ringing a song
What a happy sound
Baby please come homeNow the snow's comin' down
And I'm watching it fall
Watching the people around
Baby, please come homePretty lights on the tree
I've been watching them shine
You should be here with me
Baby, please come homeAll the church bells in town
They're ringing a song
And it's a happier song
Please, please come homeIf there was a way
I could hold back these tears
But it's Christmas day
Please come homeHome,
Come home,
Come home,
Come home
Oh, Yeah Yeah Yeah YeahNow the snow's comin' down
And I'm watching it fall
Watching the people around
Baby, please come homePretty lights on a tree
I've been watching them shine
You should be here with me
Baby, baby come homeCome home
