Come on In

Beseech

today is the day
you reveal yourself to me
please don't speak
cause i'll greet you, i'll greet you with my kissi watched you from my corner
i felt your eyes from here
i knew that i adored you
when you heard, when you heard me saycome on in, come on in to my world tonight
i want to feel you, feel your life through mine
come on in, come on in to my world tonight
i want to see you, see your eyes catch the sun
just think about all we will go through
it'll take time
a lifetime
a lifetime to proceedi open my life wider
i crawl inside your skin
you make my body shiver
when you hear, when you hear me say
come on in, come on in to my world tonight
i want to feel you, feel your life through mine
come on in, come on in to my world tonight
i want to see you, see your eyes catch the sun
