

Factory of Faith

Red Hot Chili Peppers

All my life I was swinging for the fence,
i was looking for the triple,
Never playing good defenceGunnin' for the glitter,
Every hot and heavy hitter,
She was never really there so I couldn't really get herI said
Factually I, I'm just a piece of it
Factually I, the very least of itPiece of work, I was really quite a jerk
Keeping score is such a bore, a busy mind can go bazerk

Oh

Feast on this, I was fishing for a hook
So I took a little trip, and I opened up the bookI said
Factually I, I'm just a piece of it
Factually I, the very least of it
Factually I, its just a medicine

Make you wanna cry, why don't they let us in?(Chorus)Be my wife, I think you're right that we should mate

Tell your friends, I gotta factory of faith
Late last night, I had a dream that it was great
Tell your friends, I gotta factory of faith
I got a factory of...Crack your whip, she's confessing from the hip
She was good at getting there, but not as much for round-trip

Oh

All this time, I was searching for a dream
I was living in and out of every other sex machineI said
Factually I, I'm just a piece of it
Factually I, the very least of it
Factually I, its just a medicine

Makes you wanna cry, why don'd they let us in?(Chorus)Be my wife, I think you're right that we should mate

Tell your friends, I gotta factory of faith
Late last night, I had a dream that it was great
Tell your friends, I gotta factory of faith
I got a factory of...Be my wife, I think your right that we should mate
Tell your friends, I gotta factory of faith
Late last night, I had a dream that it was great
Tell your friends, I gotta factory of faith
I got a factory of...

Faith
