

# (That's How You Sing) Amazing Grace

## Low

I knew this girl when I was young  
She took her spikes from everyone  
One night she swallowed up the lake  
That's how you sing amazing grace Amazing grace  
Amazing grace It sounds like razors in my ears  
That bell's been ringing now for years  
Someday I'll give it all away  
That's how you sing amazing grace Oh, can you hear that sweet, sweet sound?  
Yeah, I was lost but now I'm found  
Sometimes there's nothing left to save  
That's how you sing amazing grace
