

# Take It Away

## Faktion

I've never seen  
Such an opening  
I've never had  
Such a plan that turned out right  
It's not right  
I'm losing pride  
You steal what is real from me  
You try to make me break  
I'll take your pride Take it all away, take it all away  
Take it out of sight  
You wonder why I'm broken  
Take it all away, take it all away  
Take it out of sight  
You wonder why I have to lie You never cared about anything  
I even wondered  
If you knew that I was alive  
That's not right  
I'm losing pride  
You steal what is real from me  
You try to make me break  
I'll take your pride Take it all away, take it all away  
Take it out of sight  
You wonder why I'm broken  
Take it all away, take it all away  
Take it out of sight  
You wonder why I have to lie Don't push me  
You're pushing me  
Don't push me  
You're pushing me  
Take it away from me  
Take it all away  
I'll take your pride Take it all away, take it all away  
Take it out of sight  
You wonder why I'm broken  
Take it all away, take it all away  
Take it out of sight  
You wonder why I have to lie
