

# To Ohio

**Della Mae**

Left Louisiana on the red line

Ooh

Left Louisiana on the red line

OohLost my love before his time

Ooh

Lost my love before his time

OohAll the way to Ohio

All the way to Ohio

Now every new love is just a shadow

Ooh

Oh, every new love is just a shadow

OohCause once you find love you don't know how to find love

Ooh

Once you found love you don't know how to find new love

OohAll the way to Ohio

All the way to OhioOh, I heard his voice singin' in the pines of Ohio

I heard a voice singin' in the pines of Ohio

It said bless your soul you've crossed that line to Ohio

Oh, bless your soul, you've crossed that line to Ohio

All the way to Ohio

All the way to Ohio

All the way to Ohio

All the way to Ohio

All the way to Ohio
