

Long Way to Go

Gwen Stefani

We've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computerHer/his skin wasn't the same color as mine
But she/he was fine, she/he was fine
If all men are made equal
Then she/he was fine, she/he was fineUp until the time we went out on a date
I was fine, I was fine
Now I'm getting dirty looks, I wonder what they'd say
If we were blind, we were blind peopleWe've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computerWe've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computerBeauty is beauty, whether it's black or white
Yellow or green baby, you know what I mean
What if Picasso only used one color
There shouldn't be a rule, how to choose your loverLovers in love is such a wonderful thing
Maybe in time, we'll get together and sing
I really hope so, there's nothing wrong with this picture
We got a long way to go, we gotta get there quickerWe've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computerWe've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computerWhat color is love?
What color is love?
What color is love?We've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computerWe've got a long way to go
When snow hits the asphalt, cold looks and bad talk come
We've got a long way to go
It's beyond Martin Luther, upgrade computerThat all men are created equal
Children will one day live in a nation
Where they will not be judged
By the color of their skinBut by the content of their character

This will be the day when all of God's children
Will be able to sing with new meaning
Not only that
