Bath Of Least Resistance

NOFX

Too many words on the the tip of my tongue and
I can never figure out
When to speak when to shout when to shut up
When to knock myself outI need a brainwash
Gray-matter bath
I need the clutter all
Thrown in the trash
I need a brain wash, cause I'm a loonSo could ya please throw my head in a tub?
I could really use a cereberal scrub
Wash away what I know
It's an overrated frontal lobeExpensive thrills
sexual perversity
are always filling my mindMixed with guilt
Cause of bombs over dresden
Are kinda bringing me downI need a brainwash
Gray-matter bath
I need the clutter all
Thrown in the trash
I need a brain wash, cause I'm a loonCause Im a psycho-babble brain
A real life looney toon
A mixed up maniac, Im certifyable
So put me in a room right next to Nicholson
And give me thorazine Cause all I wanna do
Is sing traditional songs
But I like to sing in minor technologies
Not making sense
So could you please throw my head in a tub
I could really use a cereberal scrub
Wash away what I know
It's an over rated frontal lobe
