Sing Me No Hymns

Lucero

the rain'll wash away the piss and blood
but the water's not enough
to wash away the things that I've doneso i just keep on moving all the same
the mountains they ain't far
and up there they don't know my namesing me no hymns
when i get home
leave them with god
leave me alonei will do as i feel need be done
to pay back what i owe
for all the blood and all the lost onesuntil i feel the proper time has come
leave me be and let me drink
i need none of your good intentions
