

# **Sing Me No Hymns**

## **Lucero**

the rain'll wash away the piss and blood  
but the water's not enough  
to wash away the things that I've done  
so i just keep on moving all the same  
the mountains they ain't far  
and up there they don't know my namesing me no hymns  
when i get home  
leave them with god  
leave me alonei will do as i feel need be done  
to pay back what i owe  
for all the blood and all the lost onesuntil i feel the proper time has come  
leave me be and let me drink  
i need none of your good intentions
