Love Goes a Long Way

Maxeen

It makes you crazy
it makes you mad
when you lose it
how it makes you sadit drags you down
it gives you wings
it's the knot in
your stomach
that stingsi think i made
a big mistake
one girl, one night
it felt so fake
it wouldn't last a year
or a month or a dayLove goes a long wayIt makes you crazy
it makes you mad
when you lose it
how it makes you sad
it drags you down
it gives you wings
it's the knot in
your stomach
that stingsi think i made
a big mistake
one girl, one night
it felt so fake
you can't always fix what you breakit takes you in
it throws you away
it gives meaning
to your empty daysone day you're sure
the next you doubt
don't bother trying
to figure it outi think i made a big mistake
one girl, one night
it felt so fake
you can't always fix what you break
i think i made
a big mistake
one girl, one night
it felt so fake
it wouldn't last a month

or a year or a daylove goes a long way
