Hitherto

Cocteau Twins

Hidden to your heavy side
I couldn't tell your head is so deep
Hidden to her own hidden account
I must have let her dame holesHidden to your heavy side
I couldn't tell your head is so deep
Hidden to her own hidden account
I must have let her dame holesHidden to your heavy side
I couldn't tell your head is so deep
Hidden to her own hidden account
I must have let her dame holesHidden to your heavy side
I couldn't tell your head is so deep
Hidden to her own hidden account
I must have let her dame holesHidden to your heavy side
I couldn't tell your head is so deep
Hidden to her own hidden account
I must have let her dame holes
