In Between Days

6 Cycle Mind

Yesterday I got so old
I felt like I could die
Yesterday I got so old
It made me wanna cry
So go on, go on, just walk away
Go on, go on, your choice is made
Go on, go on, and disappear
Go on, go on, away from here
And I know I was wrong
When I said it was true
That it couldn't be me and be her
In between without you, without you
Yesterday I got so scared
I shivered like a child
Yesterday away from you
It thrills me deep inside
Well, come back, come back
No other way
Come back, come back
I'm back today
Come back, come back
Well, can't you see?
Come back, come back
Come back to me
And I know I was wrong
When I said it was true
That it couldn't be me and be her
In between, without you, without you
Go on, go on
Go on, go on
Without you
(Go on)
Without you
(Go on)
