

Hegemonic

User

Theres hope
Stuff into a hole
Shes a seed
For Hegemonic
Get tuck inTheres nothing left
Your lock in
Theres nothing left
Good luckTheres nothing left
Your lock in
Theres nothing left
Youre net
Too wide
Hit the brakes
Shoot the madman
Right into outer space
Hegemonic
The time has come to roll out
Your big gunTheres nothing left
Your lock in
Theres nothing left 3x
