

Boomerang Bang

[Lauren Christy](#)

I'll shake it, baby, I'll break it, baby
I'll stoke it, baby, I'll choke it, baby
I'll slam it, baby, wham bam it, baby
Goddamn it

But I won't be your boomerang bang I'll snap it, baby, I'll trap it, baby
I'll scorch it, baby, I'll torch it, baby
I'll fake it, baby, earthquake it, baby
Shut up and take it

But I won't be your boomerang bang Boomerang bang, your boomerang bang
I've got my hands and my face
And my knees on the floor

This is reality, baby, and nothing more I'll grab it, baby, I'll stab it, baby
I'll pump it, baby, I'll dump it, baby
I'll stone it, baby, hand-bone it, baby
Lease, rent and own it
But I won't be your boomerang bang
