Penetration

Iggy The Stooges

Penetrate, penetrate me
I'm so fine, so fine, so fine
I get excited, I get excited
I'm alone, I'm so fine, pull a lineEvery night outta town, every night outta town
I go now, go now, I pulsate
I'll be all fine man, I'll be all fine man
I'll take away, I'll take away, be alrightPenetrationCome and take me, come and take me
I'm alive, I'm alive, I'm alive
I'll stick it out, babe, I'll stick it out
I'll be all fine, every time, penetratePenetration
Penetration
Penetration
