

# On a Night Like This (Single Remix)

## Trick Pony

Now when I was a young girl my dad warned me about the opposite sex  
He'd say, "Yeah, that's just what you need some crazy boy with wild ideas  
You know what always happens next"

I tried to heed his advice but now I'm thinkin' it sounds kinda nice  
It's just what I need on a night like this  
A long walk in the dark, someone I can't resist  
A little rendezvous, a little mystery

Now when I look at you, I think that's just what I need  
Now my momma told me in this dog-eat-dog world, baby  
You gotta work harder than a man  
She'd say, "Yeah that's just what you need  
Some romance book Romeo callin' you at work and messin' up your plans"

Night falls, I slow down, I start dreamin' of you comin' around  
It's just what I need on a night like this  
A long walk in the dark, someone I can't resist  
A little rendezvous, a little mystery

Now when I look at you, I think that's just what I need  
Moonlight, sweet bliss, melting with every kiss  
Dancin' real slow when you hold me close I know  
It's just what I need on a night like this  
A long walk in the dark, someone I can't resist  
A little rendezvous, a little mystery

Now when I look at you, I think that's just what I need, yeah  
(Just, just what I need)

Oh it's just what I need

(Just, just what I need)

Yeah that's just what I need

(Just, just what I need)

Yeah, yeah

(Just, just what I need)

(Just, just what I need)
