Love Is Such a Crazy Thing

P!nk

I never thought I'd find someone
But you came along and made me see
That you were the only one for me
Boy, I love you constantly

You are my love, my only love
Baby my heart belongs to you
Be with me, don't play with me
If you want love just let me know

[Chorus]
Love, love is such a crazy thing
Never understood the way I was supposed to feel
Is this love for real
Oh love, love is such a crazy thing
Never understood the way I was supposed to feel
Is this love for real (love for real)

I dreamed of someone like you before
But I never thought I'd get the chance
To romance someone as sweet as you
I hope you feel the same as I do

You are my love, my only love
Baby my heart belongs to you
Be with me, don't play with me
If you want love just let me know

[Chorus]

You are my love, my only love
Baby my heart belongs to you
Be with me, don't play with me
If you want love just let me know

[Chorus]

(Baby I think of you, I wanna be with you, I don't understand, is this love for real?
You see I dream of you, every night and day.
I don't understand, is this love for real?

Love's such a crazy thing)
