

# Lost Cause

[Beck](#)

Your sorry eyes cut through the bone  
They make it hard to leave you alone  
Leave you here, wearing your wounds  
Waving your guns at somebody new  
Baby you're lost, baby you're lost  
Baby you're a lost cause  
There's too many people you used to know  
They see you coming, they see you go  
They know your secrets and you know theirs  
This town is crazy, nobody cares  
Baby you're lost, baby you're lost  
Baby you're a lost cause

I'm tired of fighting, I'm tired of fighting  
Fighting for a lost cause  
There's a place where you are going  
You ain't never been before  
No one laughin' at your back now  
No one standing at your door  
That's what you thought love was for  
Baby you're lost, baby you're lost  
Baby you're a lost cause  
I'm tired of fighting, I'm tired of fighting  
Fighting for a lost cause
