

Hope For the Future

Paul McCartney

Some hope for the future
Some wait for the call
To say that the days ahead
Will be the best of all We will build bridges
Up to the sky
Heavenly lights surrounding
You and I From out of the darkness
Our future will come
If we leave the past behind
We'll fly beyond the sun We'll be together
Sharing the load
Watching in wonder as our lives unfold Hope for the future
It's coming soon enough
How much can we achieve?
Hope for the future
It will belong to us
If we believe
If we believe Hope shines brightest in the dark
When nothing's ever seen
Lighting undiscovered places
No-ones ever been Some hope for the future
Some wait for the call
To say that our destiny
Will be the best of all And we will build bridges
Up to the sky
And heavenly lights
Surrounding you and I Hope shines brightest in the dark
Where nothing's ever seen
Lighting undiscovered places
No-one's ever been Hope for the future
Hope for the future
Hope for the future
