

# Spring Street

Vanessa Carlton

Na, na, na, na, na, na, na  
Na, na, na, na, na, na, na  
Na, na, na, na, na, na, na  
Na, na, na, na, na, na, na I was heading down to Spring Street  
With a suitcase in my hand  
And filled with love and life and grand delusions  
I knew you'd understand And I left you by the stairwell  
And your eyes were wet with tears  
Mother, you knew you had to let me go  
Even after all these years And we sing, na, na, na, na, na, na, na  
And she said, na, na, na, na, na, na, na  
And walk on, na, na, na, na, na, na, na  
You're alright, na, na, na, na, na, na, na And I found myself a new life  
And I've been living with some friends  
And we hold on to dreams and live like kings  
Like the days will never end And I left him by the statue  
And his eyes were filled with tears  
Lover, you knew you had to let me go  
Even after all these years And we sing, na, na, na, na, na, na, na  
And he said, na, na, na, na, na, na, na  
Well walk on, na, na, na, na, na, na, na  
You're alright, na, na, na, na, na, na, na And everything changes and friends become strangers  
And what we hold so dear slips away  
The past keeps on fading but I'll never forget you  
It's hard to see that you're a part of me even when we have to say Na, na, na, na, na, na, na  
And walk on, na, na, na, na, na, na, na  
And we sing, na, na, na, na, na, na, na  
You're alright, na, na, na, na, na, na, na And I moved out of the city  
To start a family of my own  
And when I look into my daughter's eyes  
And I don't feel so alone And as I walk her down to Spring Street  
And she holds onto my hand  
Mother, you knew my eyes would be wet with tears  
And now I understand Na, na, na, na, na, na, na, na, na, na  
And I said, na, na, na, na, na, na, na  
Walk on, na, na, na, na, na, na, na  
And thank you, na, na, na, na, na, na, na (Na, na, na, na, na, na, na)  
Walk on  
(Na, na, na, na, na, na, na)

Were alright  
(Na, na, na, na, na, na, na)  
You can hold on, na, na, na, na, na, na, na
