

Great Provider

Barenaked Ladies

You and I have been through this before
I owe you my whole life, nothin' more
I never said that I liked you the most
You're my father, I'm your son
Who's the Holy Ghost? Where does the time go
When it's not around here? Here we stand at the edge of the drive
I'm just waitin' for my ride to arrive
I wait to see if you've any last words
We pulled away, I called your name
I don't think you heard Where does the time go
When it's not around here?
Where does the time go
When it's not around here?
