

We In da City

Young Dro

Dunk on you and your ho
Switch it over to the left side, crossover, gimme some more
Answer bro, sprayin' bones
I'ma keep dumpin' the clip (pop) 'til my mans come
Layin' bones, land mines, mac 10s, tec-9s
Y'all niggas gon' respect mines
I'ma have the whole set cryin'
Had the police like 'man down!'
