# Tell Me When

## The Applejacks

Tell me when you feel a little blue
Tell me then I'll see what I can do
Just say the word and I'll be there
Anywhere, with lots of loving to share

So, tell me when your arms are really free
Free enough to kiss and cuddle me
I'll never fall in love again
As long as thereâ€™s a chance, darling, tell me when

Your lips are sweet and if we ever get to meet
I know, I know, I'm never gonna let you go

So, tell me when you've got a little time
Tell me when you're ready to be mine
I'll never fall in love again
So, if you want my love, won't you tell me when

Your lips are sweet and if we ever get to meet
I know, I know, I'm never gonna let you go

So, tell me when you've got a little time
Tell me when you're ready to be mine
I'll never fall in love again
So, If you want my love, won't you tell me when
Won't you tell me when
Won't you tell me when
Wonâ€™t you tell me when
