

# Behemoth

## ManSlaughter.

Abandon me, a horror scene  
A time storm, a pile up  
Exterminate it, calculate it  
Ricochet, smart bulletGet louder, get higher  
Get true to form behemoth  
Verify, storm of the eye  
To detonate the fusionGet it, get it, get itBastards deformed  
They're walking deadWrecking, dragging  
Nagging, sagging  
Blocking, cocking  
Smoking, chokingGet louder, get higher  
Get true to form behemoth  
Intensity, it's hard to see  
Diffusing the tune upGet it, get it, get itWrecking, dragging  
Nagging, sagging  
Blocking, cocking  
Smoking, chokingGet louder, get higher  
Get true to form, behemoth  
Intensity, it's hard to see  
Diffusing the tune upGet it, get it, get it
