

Children Stories

Union 13

everybody has a story told day by day
as the world keeps on turning, this life gets worse and worse
it's a typical story it happens everyday
it's the human struggle with the common threat
we struggle for a better daychildren stories!Verse
i'd rather fight and keep on fighting, than die on my knees!
i'd rather keep fighting and fighting, and die for
what i believe!children stories!
