

# Mexican Divorce

## Burt Bacharach

Down below El Paso lies Juarez  
Mexico is different yes like a travel folder says  
Cross the Rio Grande and you will find  
An old adobe house  
Where you leave your past behindOne day married, next day free  
Broken hearts for you and me  
Takes no time, and all you to get  
A Mexican divorceAs I came into this empty house last night  
Looked at all my windows, yes I did but I couldn't find one lightI found you on that road to Mexico  
And now, my love, I beg  
Please, oh, please, don't goOne day married, next day free  
Broken hearts for you and me  
Takes no time, and all you to get  
A Mexican divorceFinding love takes so long  
Walking out must be wrong  
It's a sin for you to get a Mexican divorceOne day married, next day free  
Broken hearts for you and me
