Kisses and Tears

Jane Russell

My love
now you're lying lonesome with visions of bluevisioning you.
Again
you let your heart go whenwhenever you do
it's hurting me
too.
When damage is done
I watch you runit's me you call
to me you come.Kisses and tears - my one and onlyDon't be lonely
I'm right here.
Kisses and tears - we'll turn that bad dream
To a good thing
it's so clear.Kisses and tears - a new world's waiting
That we're creating with our love.
Kisses and tears - my one and onlyDon't be lonely
don't you run.You know how a heartache endswith visions of blue abandoning you.
I know that we're more than friendsyou know that it's true
it's long overdue.
No more to run
no damage donenow hear my call
to you I come.Kisses and tears - my one and only
. ..
Kisses and tears - a new world's waiting . . .Kisses and tears - my one and only
. . .
Kisses and tears - my one and only
. . .
Kisses and tears - a new world's waiting . . .
