

# Kisses and Tears

## Jane Russell

My love

now you're lying lonesome with visions of bluevisioning you.

Again

you let your heart go whenwhenever you do

it's hurting me

too.

When damage is done

I watch you runit's me you call

to me you come.Kisses and tears - my one and onlyDon't be lonely

I'm right here.

Kisses and tears - we'll turn that bad dream

To a good thing

it's so clear.Kisses and tears - a new world's waiting

That we're creating with our love.

Kisses and tears - my one and onlyDon't be lonely

don't you run.You know how a heartache endswith visions of blue abandoning you.

I know that we're more than friendsyou know that it's true

it's long overdue.

No more to run

no damage doneknow hear my call

to you I come.Kisses and tears - my one and only

...

Kisses and tears - a new world's waiting . . . Kisses and tears - my one and only

...

Kisses and tears - my one and only

...

Kisses and tears - a new world's waiting . . .
