

# Ball and Biscuit (live)

## The White Stripes

It's quite possible that I'm your third man girl  
But it's a fact that I'm the seventh son  
No doubt about it It's quite possible that I'm your third man girl  
But it's a fact that I'm the seventh son  
And right now you could care less about me  
But soon enough you will care, by the time I'm done Let's have a ball and a biscuit sugar  
And take our sweet little time about it  
Let's have a ball girl  
And take our sweet little time about it  
Tell everybody in the place to just get out  
And we'll get clean together  
And I'll find a soapbox where I can shout it Read it in the newspaper  
Ask your girlfriends and see if they know  
Read it in the newspaper  
Ask your girlfriends and see if they know  
That my strength is ten fold girl  
I'll let you see if you want to before you go
