

# Thank You for Not Moshing

## Reel Big Fish

When I'm in the pit, I'm gonna punch and kick  
When I'm in the pit, don't you know I'm gonna \*\*\*?[Incomprehensible] bring your mom and pops too  
[Incomprehensible] straight down to you \*\*\*Got my wifebeater on, steel toe Doc Martens on my feet, yeah  
I run around in a little circle, I'm wondering who to beat  
And you know it's really cool  
'Cause I played football in high school  
Gonna push some little girls tonight  
Look out \*\*\* there's gonna be a fightWhen I'm in the pit, I'm gonna punch and kick  
When I'm in the pit, don't you know I'm gonna \*\*\*?And you wanna be just like me, I wish I could be myself  
And you wanna be just like me 'cause I can't think of no one else  
And you know it's really great to punch somebody right in the face  
Gonna push some little girls tonight  
Look out \*\*\* there's gonna be a fightWhen I'm in the pit, I'm gonna punch and kick  
When I'm in the pit, don't you know I'm gonna \*\*\*?[Foreign Content]Got my wifebeater on, steel toe Doc  
Martens on my feet, yea  
Run around in a little circle, I'm wondering who to beat  
And you know it's really great to punch somebody right in the face  
Gonna push some little girls tonight  
Look out \*\*\* there's gonna be a fightWhen I'm in the pit, I'm gonna punch and kick  
When I'm in the pit, don't you know I'm gonna \*\*\*? Oh man
