A Table In the Sun

Marie Fredriksson

A table in the sun is all I want
Just wanna slow down and rest my heart
So many tears and so much fear
So much happened last two yearsNo rain, no sorrow
The bad days are over
The sun is shining through
Even November days tooSo much we learned
A whole new world
Thank God, I'm saved
I'm still cruising the seventh waveIt's hard to understand, what we've been through
I guess we need time me and you
Oh, so many times I wondered why
It happened to me this timeNo rain, no sorrow
The bad days are over
The sun is shining through
Even November days tooSo much we learned
A whole new world
Thank God, I'm saved
I'm still cruising the seventh waveA table in the sun, and me and you
