

Never Stop

Urban Rescue

Here in the valley of my soul
When I am lost and all alone
Through all the shadows I can see
Your love is chasing after me You cross the canyons of my fears
Over the oceans of my tears
Like the wind that moves the trees
Your love is chasing after me No mountain higher
No river wider
My heart may wander
Your love will never stop chasing after me Your love will never stop, never stop, never stop
Your love will never stop chasing after me
Your love will never stop, never stop, never stop
Your love will never stop chasing after me
You are the sun upon my skin
You are the moon that pulls me in
Closer than the air I breath
Your love is chasing after me No mountain higher
No river wider
My heart may wander
Your love will never stop chasing after me Your love will never stop, never stop, never stop
Your love will never stop chasing after me
Your love will never stop, never stop, never stop
Your love will never stop chasing after me I see my chains unravelling
All of my shame for victory
I feel my heart run wild and free
There is no place I'd rather be
I see my chains unravelling
All of my shame for victory
I feel my heart run wild and free
There is no place I'd rather be No mountain higher
No river wider
My heart may wander
Your love will never stop chasing after me Your love will never stop, never stop, never stop
Your love will never stop chasing after me
Your love will never stop, never stop, never stop
Your love will never stop chasing after me
