

# Cause You Are Young (DJ Streltsov Mix)

## C.C. Catch

Heartache, heartache  
Heart was gold  
Oh she hurts you  
It's stone cold  
Lonely, lonely  
Your wasted years  
You're a winner with bad souvenirs  
You're a hero  
You're a man  
You're a winner  
Take my hand  
'Cause you are young  
You will always be so strong  
Hold on tight to your dreams, hold on  
You are right, don't give up  
'Cause you are young  
You are right and you're wrong  
You are a hero, next day you're done  
So hold on to your dreams  
All or nothing  
You can give  
Live your life  
Love to life  
Oh man, oh man  
Feel the night  
Strong enough till the morning light  
You are a hero  
You are a man  
You are too tough to lose this game
