

# Shout It Out

David Lindgren

Wanna show you we can do this better  
There's no way we're giving up  
Wanna show you there is no surrender  
There's no way we're gonna stop

We've been living far too long  
Through the barrel of a gun  
Now it's time to spread the love  
And our hearts will beat as one

So put your hands up to the sky  
I wanna see you wave them high  
We're gonna make it make it loud  
When we shout it shout it out  
So put your hands up to the sky  
I wanna see you wave them high  
We're gonna make it make it loud  
When we shout it shout it out

Take a minute, take a breath to reload  
Spell it out and let 'em know  
That we're never gonna lose our colours  
We're just gonna let 'em show

Now it's time to spread the love  
And our hearts will beat as one

So put your hands up to the sky  
I wanna see you wave them high  
We're gonna make it make it loud  
When we shout it shout it out  
So put your hands up to the sky  
I wanna see you wave them high  
We're gonna make it make it loud  
When we shout it shout it out

Now it's time to spread the love  
And our hearts will beat as one

So put your hands up to the sky

I wanna see you wave them high  
We?re gonna make it make it loud  
When we shout it shout it out  
So put your hands up to the sky  
I wanna see you wave them high  
We?re gonna make it make it loud  
When we shout it shout it out

When we shout it shout it out X 4
