

Right Now

Korn

I'm feeling mean today
Not lost, not blown away
Just irritated and quite hated
Self control breaks down
Why's everything so tame
I like my life insane
I'm fabricating and debating
Who I'm gonna kick around Right now
Can't find a way
To get across the hate
When I see you Right now
I feel it scratch inside
I want to slash and beat you Right now
I rip apart the things inside
That excite you Right now
I can't control myself
But I fucking hate you! I'm feeling cold today
Not hurt just fucked away
I'm devastated and frustrated
God I feel so bound
So why I'd feel the need
I think it's time to bleed
I'm gonna cut myself and
Watch the blood hit the ground Right now
Can't find a way
To get across the hate
When I see you Right now
I feel it scratch inside
I want to slash and beat you Right now
I rip apart the things inside
That live beside you Right now
I can't control myself
But I fucking hate you! You open your mouth again
I swear I'm gonna break it
You open your mouth again,
By god I cannot take it Shut up, shut up, shut up, I'll fuck you up
Shut up, shut up, shut up, I'll fuck you up
Shut up, shut up, shut up, I'll fuck you up
Shut up, shut up, shut up, I'll fuck you up

Shut up, shut up, shut up, I'll fuck you up
Shut up, shut up, shut up, I'll fuck you upRight now
Can't find a way
To get across the hate
When I see youRight now
I feel it scratch inside
I want to slash and beat youRight now
I rip apart the things inside
That live beside youRight now
I can't control myself
But I fucking hate you!I fuckin' hate you [Repeat x8]
