

# I Swear

## All 4 One

I swear by the moon and the stars in the skies  
And I swear like the shadow that's by your side I see the questions in your eyes  
I know what's weighing on your mind  
You can be sure I know my part  
'Cause I'll stand beside you through the years  
You'll only cry those happy tears  
And though I make mistakes I'll never break your heart And I swear by the moon and the stars in the skies  
I'll be there  
I swear like a shadow that's by your side  
I'll be there For better or worse till death do us part  
I'll love you with every beat of my heart  
And I swear ooh I'll give you everything I can  
I'll build your dreams with these two hands  
We'll hang some memories on the walls  
And when (And when)  
Just the two of us are there  
You won't have to ask if I still care  
'Cause as the time turns the page my love won't age at all And I swear (I swear)  
By the moon and the stars in the skies  
I'll be there (I'll be there) I swear (And I swear)  
Like the shadow that's by your side  
I'll be there (I'll be there) For better or worse till death do us part  
I'll love you with every beat of my heart (Beat of my heart)  
And I swear (Oh yeah) I swear (I swear)  
By the moon and stars in the sky  
I'll be there (I'll be there) (I swear) I swear like the shadow that's by your side  
I'll be there (I'll be there)  
For better or worse (Better or worse)  
Till death do us part (Oh no)  
(I'll love you with every) Every single beat of my heart  
(I swear) I swear (I swear)  
Oh, I swear
