

# Let It Shine

## The Stills-Young Band

There's a light on over my head, my Lord  
There's a light on over my head, my Lord  
Let it shine, let it shine  
Although it may not be the only one  
Let it shine, shine, shine  
Although it may not be the only one. There's a moon roof over my head, my Lord  
And my Lincoln is still the best thing built by Ford  
Let it roll, let it roll  
Although it may not be the only one  
Let me ride, ride, ride, ride,  
Although I may not be the only one. I got religion in the airport, my Lord  
They caught me waiting on my baggage when I was bored  
Let them chant, let them chant  
Although they may not be the only one  
Let them dance, dance, dance  
Although they may not be the only one. There's a light on over my head, my Lord  
There's a light on over my head, let it shine  
Let it shine, let it shine  
Although it may not be the only one  
Let me shine, shine, shine, shine  
Although I may not be the only one.
