

# Is there something

## Six Part Invention

Lately I see clouds of sorrow in your eyes  
Some deep sadness you can never quite disguise  
Now I'm scared to ask what it's leading to  
But I'm more afraid of not asking youIs there something that you want to tell me?  
Is there something that I ought to know?  
Are we something that's still worth fighting for?  
Or should I simply let you goIs there something I can do to reach him  
Are we something more than history  
I'll find some way to convince you to stay  
If you just tell me honestly  
Is there something left of you and meYou've got secrets you've been keeping for too long  
And I'm going crazy acting like there's nothing wrong  
I can taste the truth every time we kiss  
And I can't go on at least not like thisIs there something that you want to tell me?  
Is there something that I ought to know?  
Are we something that's still worth fighting for?  
Or should I simply let you goIs there something I can do to reach him  
Are we something more than history?  
I'll find some way to convince you to stay  
If you just tell me honestly  
Is there something left of you and me?I don't want to lose you but what's the use of holding on  
I don't really have you if the feeling's goneIs there something I can do to reach you?  
Are we something more than history?  
If there's no way to convince you to stay  
And be the way we used to beThen there's something that I want to tell you  
And I want you to believe it's true  
We had something that I'll never forget  
Even if I wanted to  
'Cause part of me will always be with youIs there something I can do to reach you?  
Are we something more than history?  
If there's no way to convince you to stay  
And be the way we used to beThen there's something that I want to tell you  
And I want you to believe it's true  
We had something that I'll never forget  
Even if I want to  
'Cause part of me will always be with you
