Out of Hand

The Mighty Lemon Drops

When I close my eyes I see forever
In between the good and bad I'll be there
Somewhere
Over my head
Something
I have not saidThink I've lost my grip
It's out of my hands
Slipped between my fingers
Out of my handsTook so long to get it and I know it
Everything I wanted I'd have been itSo far
Out of my hand
So close
That I can't find itThink I've lost my grip
It's out of my hands
Slipped between my fingers
Out of my handsI've seen things I've shouldn't have seen
Now they live inside me
I've seen things through open doors
Now I know what lives are forSomewhere
Over my head
Something
I have not saidThink I've lost my grip
It's out of my hands
Slipped between my fingers
Out of my handsThink I've lost my grip
It's out of my hands
Slipped between my fingers
Out of my hands
