

Out of Hand

The Mighty Lemon Drops

When I close my eyes I see forever
In between the good and bad I'll be there
Somewhere
Over my head
Something
I have not said Think I've lost my grip
It's out of my hands
Slipped between my fingers
Out of my hands Took so long to get it and I know it
Everything I wanted I'd have been it So far
Out of my hand
So close
That I can't find it Think I've lost my grip
It's out of my hands
Slipped between my fingers
Out of my hands I've seen things I've shouldn't have seen
Now they live inside me
I've seen things through open doors
Now I know what lives are for Somewhere
Over my head
Something
I have not said Think I've lost my grip
It's out of my hands
Slipped between my fingers
Out of my hands Think I've lost my grip
It's out of my hands
Slipped between my fingers
Out of my hands
